| Execution Process   |  |  |
|---|--|--|
| Zone of Possible Agreement (ZOPA) The range of possible solutions from your "least" to their "least" possible acceptable solution. Try to define this zone after interests are explored and assumptions validated / rejected.  Options for Mutual Gain  (Divergent Thinking: Create ideas that satisfy as many interests of both parties as possible – this process is brainstorming and non-judgmental. Continue to test assumptions with Active Listening as well as using Critical Thinking questions) |  |  |
| Objective Criteria (Using convergent thinking, find the industry standard, historical data, or, for the military context, the option that best meets the priority needs established in the exploration of each sides' interest)   |  |  |
